

TURN PREMIUM FINANCE INTO ENTERPRISE VALUE.

A turnkey premium finance business model for Agencies, MGAs and Wholesalers that want to create **recurring revenue and greater enterprise value—without building the infrastructure themselves.**

COST provides Agents, MGA, and Wholesaler the knowledge, relationship, and operating platform to build their own premium finance capability. We provide the expertise, lender introductions, operational support, compliance guidance, and state licensing expertise required to get the business up and running. COST manages the day-to-day performance.

You own the business and the economics. COST builds and manages the infrastructure.
